Sadie and Noelle,

When can I expect these records?

Subject: Atlantic Coast Pipeline Records Request

Sadie and Noelle,

Please provide to me all records, correspondence and emails related to the Mitigation Project Memorandum of Understanding between Gov. Cooper and Atlantic Coast Pipeline, LLC.

I asked the Department of Environmental Quality for records surrounding this agreement and the only record of substance produced was ACP Talking Points from Noelle.

Please acknowledge receipt of this request and give me some idea of how long it will take to fulfill. Thanks.

Don
